

MARINER HIGH SCHOOL
HOME OF THE FIGHTIN' TRITONS

Brian Mangan, Principal

To whom it may concern:

One look at Michael Yapello's resume' will convince you that he is a very intelligent, thoughtful, and well-rounded young man. Mike was a student in my English IV Honors class and my introduction to film class during the 2010/2011 school year, and his presence in that class was welcomed.

He was always attentive and respectful. He always asked thought-provoking questions. And he always brought elements to discussions that were insightful and showed a grasp of the subject.

Mike is also very active in extra-curricular activities. It is quite clear that he uses these activities to help him not only become more versatile in his abilities and tastes, but to prepare him for a career in music.

It is wholeheartedly that I recommend Michael Yapello for acceptance into your college. There is no doubt in my mind that he has a bright future. Thank you for your consideration. Feel free to contact me at (239) 772-3324 or at donaldir@leeschools.net.
